

Collaborative Work Study Room Information

We happily introduce, for your study use, five, new High Tech- Collaborative Group Study Areas located in the lower level of the library adjacent to the Serials section.

For your convenience, each Collaborative Group Study Room includes one, 26 inch LCD flat panel, Planar, monitor with DVI, VGA and USB cable connection cords.

Study groups are welcomed and encouraged to use our Collaborative Areas on a first come, first served basis.

Laminated instructions are provided in each Collaborative Work Study Area for using the LCD, flat panel, Planar monitors. We look forward to seeing many educational uses for these high tech Wi-Fi spaces!

Recommendations for using the Collaborative Work Study Areas include:

Signing out a Loaner Laptop at the library to use in the Collaborative Study Area(s) or bringing your own PC or MAC laptop to connect to the LCD Planar monitors.
