

Dolan Hall Bill of Rights

As Dolan Residents, we have the right to live in a clean, safe, and respectful environment, both in regards to the way we treat others and the way we treat each other.

Therefore, we will...

- Leave common areas (lounges, hallways, and restrooms) in better condition than we found them.
- Remove trash from common areas inside the building to the dumpster behind Dolan Hall.
- Turn off sinks and showers and make sure toilets are not continuously running to preserve water.
- Keep in mind how we are projected to visitors. Therefore, we will not create (or allow) rude and disparaging comments on posters, walls, or whiteboards.
- Be welcoming and accepting to others.
- Embrace the things we have in common and the ways in which we differ, and grow from both experiences.
- Actively seek to build up our community through quality interactions with each other.
- Be respectful of University policies and those who enforce them.
- Remind each other when a person's behavior affects others in the community.
- Become involved. We will take a part in the activities of Dolan Hall in order to share our ideas, learn from others, and make our home a place we are proud of.
