

1.

EN 11 Library Practice Exercise—Library Catalog

Now that you have received a brief introduction to the DiMenna-Nyselius Library, it is time to use what you have learned. **Open a second web session and go to <http://sirsi.fairfield.edu>.**

1. Write the call number and location for an item titled *Internet Piracy*.

Call number:

Location:

2. Write the title, call number, and location for a book by Siva Vaidhyanathan.

Title:

Call number:

Location:

3. Construct and write below a nested Boolean search query (e.g. use *and*, *or*, *parentheses*) to look for materials about the law as it relates to the Internet. Once you have completed a keyword search, examine your results. Choose one record and write down one of its subject terms below.

Search query:

Subject term:

4. Click on the subject term that you found in question #3 to do a subject search. Did you discover any titles that were different from your results in question #3?

Circle Yes or No
