*A&S electives usually double count for the core. A list of all electives is published every semester in the course booklet. A sample list is printed in the University Course Catalog and it is available online. If in doubt, please contact Drs. Janie Leatherman or Iris Bork-Goldfield. ** Business electives are international business courses offered in the DSOB. Students who study abroad may take an international Economics course as well provided it was approved by Drs. Leatherman or Iris Bork-Goldfield. Economics is usually part of a business program abroad.
