## Dear Friends,

As you all know, the effects of the economic downturn have spread far and wide over the past year. Every member of the Fairfield University community has been impacted in ways both large and small. However, in spite of the turmoil, Fairfield's supporters have done what they do best — they have stepped up and have continued to demonstrate how much Fairfield means to them.

This spirit of generosity is at the core of what a Jesuit education is all about. Many of our alumni, parents and friends found themselves financially stretched this year, yet over 5,500 people gave what they could in support of the Annual Fund, one of Fairfield's most important initiatives. Donors supported many areas of the University, contributing nearly \$9 million in total over the course of the fiscal year (July 1, 2008 – June 30, 2009), including \$3.4 million to the University's endowment.

Many sacrifices were made on behalf of Fairfield this year, and on behalf of the entire community, I wish to express my appreciation to each and every person listed in the pages to follow. As you read this year's Honor Roll of Giving, I hope you will be as inspired as I am by the outpouring of support shown to the University and that you will join me in contributing to an even brighter picture in the years to come.

Sincerely,

Jack L. Kelly '67, P'96

# Undergraduate Alumni Gifts

**F**airfield alumni often discover just how valuable their education is when they embark on their lives and careers in the outside world. The pride and loyalty engendered from this recognition inspires many alumni to give back to their alma mater. In 2008-09, alumni gave just over \$3.5 million to Fairfield, offering a new generation of young women and men the lifetime value of a Jesuit education.

# Lyons-Laderman Athletic Fund Gifts

The Lyons-Laderman Athletics Fund supports Fairfield's student-athletes and coaches so they can compete at the highest level of both intercollegiate and intramural athletics. Established in 1987, the Fund honors the memory of Rev. Thomas J. Lyons, S.J., the University's widely respected athletic director from 1952 to 1963, and Jerry Lademan '75, a student-athlete who exemplified the ideals of teamwork and leadership. With their support of over \$225,000 in 2008-09, the following benefactors promoted excellence in Fairfield's student-athletes, both on and off the field.

# Bellarmino Society

Members of the Bellarmine Society, named for the patron saint of Fairfield University, Saint Robert Bellarmine, S.J., are committed to Fairfield's vision of an integrated, life-long education and have considered the University's future in making their estate plans.

The Bellarmine Society recognizes these thoughtful, farsighted individuals who have created a living legacy by including Fairfield University in their wills, making life-income gifts (such as charitable gift annuities and charitable remainder trusts), or designating Fairfield as a beneficiary of their retirement plans. Please contact the Office of Planning Giving at (203) 254-4020 for more information about making a planned gift.

# 2009 Fairfield Awards Dinner Gifts

**F**airfield University recognizes its responsibility to provide access to a quality education for all students, and to provide particular support for those whose economic and social backgrounds present barriers to higher education. The Fairfield Awards Dinner, held annually to benefit the Alumni Multicultural Scholarship Fund, is one of many important sources of aid for students of African, Hispanic, Asian and Native American (AHANA) descent who have demonstrated financial need. Despite the challenging economic times, the 2009 Fairfield Award's Dinner raised over \$1 million for the scholarship. We thank the following sponsors and contributors for recognizing that a diverse campus enriches the educational experience of all of Fairfield's students, helping them reach their fullest potential.
