

## eBook Download Instructions for Android

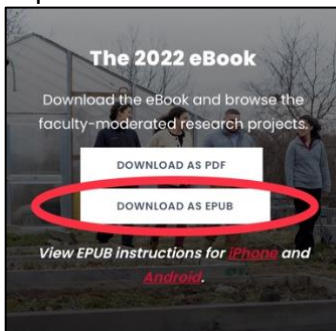

1. If you don't already have an eReader installed on your Android device, we recommend installing the free [Prestigio Book Reader from the Google Play Store](#).

2. Launch the app and when you reach the Welcome page, tap **Skip** in the lower right.

3. Once the app is installed, open Chrome and navigate to [fairfield.edu/ebook](http://fairfield.edu/ebook)
4. Tap download as ePub

5. Depending on how your phone is set up, the eBook will either open automatically or you will be asked which app you'd like to open it in (of course, you should choose Prestigio eReader).

**Tip:** Tap in the middle of the book at any time to bring up the Control Bar at the top of the screen. From the control bar, you can view the Table of Content, Change the Font Size, and Search within the Book.
