My Post-Grad Journey:

I returned to live in Columbus. Went to OSU law school for 3 weeks. Quit and went to work at a bank and then attended night law school while working. Sworn in and 2 years later I started a law firm with an acquaintance. We worked together for 38 years and then retired. I am a widower with three kids and 6 grandchildren. I live in Columbus and still follow the Buckeyes.

What is your favorite Fairfield University memory?

None stand out. Most pretty good.
