

## Professional Development Series

LEVEL 1: Career Exploration and Assessment			
	Objective	Details	Offered
<b>Required</b>	Registration	<p>Welcome to the School of Engineering! SOE students must officially register using <a href="#">this form</a> to indicate interest in rewards and special transcript designation.</p> <p>All students that register will be entered into a raffle for two \$25 Amazon gift cards.</p>	<p>Throughout the year on OrgSync</p> <p>Contest deadline: 10/18</p>
	SOE's First Year Convocation	<p>The First Year Convocation is an annual tradition at SOE. New students will learn about SOE's program offerings, Study Abroad opportunities, and professional societies. Students also get a chance to meet all the School of Engineering professors and staff</p>	September 20
	Join the student branch of a Professional Engineering Society	<p>To meet this requirement, students must remain active members of a professional engineering society throughout the year.</p>	Throughout September
	College Resume	<p>SOE students should develop a resume and have it reviewed by an ACDC Counselor. Students must upload a reviewed resume to Stags4Hire to receive credit.</p> <p><i>Students are encouraged to make an appointment with an ACDC Counselor or attend a workshop prior to starting their resume to get information on proper formatting.</i></p> <p><a href="#">Resume Workshop for First Year Students</a></p> <p><a href="#">Resume Workshop for First Year SOE Students</a></p>	<p>Throughout the year</p> <p>Workshops offered on November 29 and February 1</p> <p>November 8</p>
