

Bridgeport Tuition Grant Application

Fairfield University is dedicated to the students of Bridgeport and to their future educational goals. In an effort to assist Bridgeport high school graduates with the costs of college, students may apply for a full tuition scholarship from Fairfield University.

A Bridgeport resident student whose annual family income is \$50,000 or less, whose financial assets are at a reasonable level for such annual income and have met all application deadlines may apply for the tuition grant scholarship. Income derived from family businesses and/or other real estate may exclude a student's application. Students must have also attended an eligible Bridgeport High School for all four years of high school. Students will be subject to comply with all federal and institutional financial aid application policies.

All students requesting review for the Bridgeport Tuition Grant are also subject to the financial aid verification process.
