Quick Start Guide
FOR STUDENTS

1. Create a Profile
- Create your account and register using your school email address. Fill out the basic profile information, reason(s) for signing up, and emergency contact information.
- An email will be sent to you to verify your account.

2. Schedule an Appointment
- Find an available counselor that matches your preferences.
- Pick the date, time, and appointment type (video, phone, or chat) to schedule your appointment.

3. Connect with a Counselor
- An email reminder will be sent to you an hour prior to your scheduled appointment.
- Access your appointment through the link in the email reminder, or visit the Uwill site to begin your appointment.
