- O-2 ■ Quick Center and Dolan School of Business

Fairfield University appreciates the cooperation and courtesy shown by students, employees, and visitors who observe established parking and traffic regulations. All persons operating a motor vehicle on campus roads should recognize that Fairfield University is a pedestrian community and that pedestrians do have the right of way.

All vehicles entering campus must be registered with the Department of Public Safety Parking Office. All parking regulations are in effect 24 hours a day, 365 days a year. Allocated parking areas are subject to change. **Student vehicles may only be parked in lots designated by sticker type.** Please consult our website fairfield.edu/parking for updates, traffic regulations and vehicle registration policies.

On occasion, Public Safety will require vehicles to be moved due to weather/events. In those cases, vehicles should be returned to their designated lot by noon the following day.

Chronic parking/traffic offenders who accumulate five (5) violations for being unregistered will be subject to having their vehicles immobilized. Those registered chronic offenders who receive five (5) violations may be subject to modified parking. A \$60 surcharge will also be added to the regularly published fine schedule and the vehicle is subject to either being immobilized or towed. Payment of tickets does not remove the owner/operator from the tow list. Individuals will not be pre-warned when placed on the chronic violators list. **Tickets for “unauthorized by permit” are not appealable.** All towing charges are the responsibility of the owner.

Freshman and sophomore students are not permitted to register vehicles. Junior and senior students who register a vehicle owned by an underclassman are subject to losing their own parking privileges in the future.

Motor vehicles may not be stored on campus without the written approval from the Director of Public Safety. In addition, motor vehicles may not be parked or driven on University property without current or valid registration plates; be operated in excess of 20 mph; be left anywhere on University property in the state of disassembly, disabled, or inoperative for any reason.

Vehicles without license plates, or showing other signs of abandonment, will be removed from the property and disposed of under the direction of the Department of Public Safety. Any extra expense incurred by Fairfield University in removing the vehicle will be chargeable to its owner.

Mopeds and motorcycles must adhere to University regulations as it pertains to motor vehicle registration, operation, and parking and may not be secured to trees, railings, posts, etc. (Violators will be ticketed and the vehicle impounded).

Fraudulent registration, misrepresentation of University affiliation, and the display of stolen or misbegotten, altered or counterfeit stickers constitute grounds for disciplinary action, towing, and/or immobilization.

All University/Prep students and employees are reminded that through a commitment to the town of Fairfield, no members of this community may park on neighboring streets. The University reserves the right to ticket as necessary.

Fairfield University Campus Parking Map

Visitors may park in lots C-1, C-2, C-3, C-6, and K-1, or they may obtain a visitor pass for additional parking. Guests of residents must register with the Department of Public Safety.

Faculty and staff are requested to park in blue zone areas when possible. However, the University reserves the right to restrict lots when necessary. Students of faculty and staff may not display BLUE parking decals on their vehicles.

Parking at Fairfield University is at your own risk. Fairfield University is not responsible for the theft and/or damage of vehicles and/or personal property.
