PROGRAM DESCRIPTION
The Educational Technology program welcomes potential candidates from all teaching disciplines, and those contemplating a career change or an enhancement to their existing professional skills. Our programs are tailored to the needs of working professionals, and provide training in integrating technology in a wide variety of teaching and training environments. We offer campus-based, online and blended courses each semester.

The Master’s in Educational Technology is designed to enhance and transform teaching through technology integration — training candidates as teachers, co-teachers and consultants in schools, agencies and organizational professional development. K-12 classroom teachers often add the MA in Educational Technology to their existing graduate education degrees. The MA in Educational Technology with preparation for K-12 cross endorsement as a School Library Media Specialist is also offered as an option for certified teachers.

COURSE OF STUDY
REQUIREMENTS FOR THE MA IN EDUCATIONAL TECHNOLOGY (36 CREDITS)

Foundations (9 credits)
- MD 400 Introduction to Educational Technology
- MD 500 Technology and Transformational Culture in Education
- MD 499 Research in Educational Technology OR MD 503 Research/Evaluation in K-12 Consultation and Leadership

Core (12 credits)
- MD 433 Critical Viewing of Mass Media
- MD 460 Principles of Instructional Development
- MD 470 Designing for Online Instruction
- MD 545/ PY 545 Designing & Developing Training Programs

Electives (15 credits)
- Complete 15 credits in courses planned and approved by faculty advisor.

Comprehensive exam
- MD 99-01 Comprehensive Exam in Educational Technology

Taken in last two semesters/after 24 credits completed. Offered Fall and Spring.

INTERNSHIPS AND RESEARCH
Students have opportunities to complete internships in schools and agencies. Students may also complete independent study/research projects that may include collaboration and consultation with a faculty member.

GRADUATE PROGRAM DIRECTOR
Dr. Joshua Elliott
Phone: 203-254-4000, ext. 4250
E-mail: jelliott@fairfield.edu

For a complete faculty listing, see www.fairfield.edu/gseafaculty.

ADMISSION REQUIREMENTS
Applicants for a master’s degree must hold a bachelor’s degree from a regionally accredited college or university (or the international equivalent) and give promise of meeting the standards set by the school.

FORMAL ADMISSION PROCESS
Applications will be reviewed when they are fully complete. Submit application and all supporting materials well in advance of the semester for which you are applying to allow time for application review and program availability.

Students seeking admission must complete and submit the following online:

1. A completed application. (Apply online at www.fairfield.edu/geapp.)
2. A non-refundable $60 application fee.
3. A professional résumé. Applicants are required to submit a current résumé that includes employment and educational history.
4. A personal statement. Students should describe why they want to undertake graduate studies in the program for which they are applying.
5. Official transcripts from all universities/colleges attended. We generally expect applicants to have a minimum undergraduate
cumulative GPA of 3.0. Any applicant whose undergraduate GPA is lower than 2.67 must request and receive a GPA waiver from the department. Waivers are granted on a case by case basis and may require supplemental undergraduate coursework to increase the undergraduate GPA and/or earning a B or better in two or more approved graduate-level courses. All foreign transcripts must be evaluated by an approved evaluating service. A list of approved evaluators is available at www.fairfield.edu/eval. Students may be required to take one or more English writing courses if their writing skills do not meet graduate level standards. Upon the granting of a GPA waiver, an approval form signed by the Department and the Dean’s office will be placed in the student’s file. Candidates who are granted a GPA waiver and are admitted must maintain a minimum GPA of 3.0 to be permitted to continue in the program. Candidates applying for admission to a certification program should note that Connecticut State certification program standards for formal admission to an approved initial educator certification program require candidates to possess a minimum undergraduate cumulative grade point average of B- (2.67 on a 4.0 GPA scale), unless an approved GPA waiver form documents that a waiver was granted.

6. At least two recommendations. Suggested recommendations include your undergraduate or graduate professors, your major advisor, your work supervisor, or a professional in the field that you wish to study who knows you. Note that recommendations from friends or co-workers are not accepted.

7. Participate in an admissions interview (applicants are notified regarding an interview after a paper review of their credentials.).

8. All international students whose native language is not English must demonstrate proficiency in the English language by taking either TOEFL or IELTS exams. For admission to the graduate school, a TOEFL composite score of 550 for the paper test, 213 for the computer-based test, 84 on the internet-based test with a minimum score of 21 in reading and 23 in writing is required. An IELTS score of 7.5 is required. Scores must be sent directly from the Educational Testing Service (TOEFL) or www.IELTS.org. Fairfield’s ETS code is 3390.

Submit transcripts and any other documents that cannot be uploaded to:

Fairfield University  
Office of Graduate Admission  
Kelley Center  
1073 North Benson Road  
Fairfield, CT 06824

BACKGROUND CHECK AND FINGERPRINTING

In compliance with Connecticut state law effective July 1, 2010, applicants whose programs of study will require participation in school-based field experiences (e.g., observations, practica, student teaching, internships, etc.) must undergo State and National criminal history background checks before beginning their program of study. The regional educational service centers (RESCs) that are authorized to conduct fingerprinting services and provide the background check results to the Connecticut State Department of Education and local school districts are listed at www.fairfield.edu/documents/admission/ga_fingerprinting.pdf. University students who have a history of a federal or state conviction may be barred from participating in school-based field work and may be exited from their degree program, depending on the nature of the conviction.

Confirmation of fingerprinting at a RESC must be received by the Dean’s office (Canisius 102) prior to course registration.

The background check is valid for 3 years if the student remains an active student. It is the student’s responsibility to maintain documentation of current fingerprinting on file with the dean’s office. Students whose background check has expired will not be permitted to register for courses. Note, too, that school districts and other clinical sites may have more stringent requirements and may mandate a new background check prior to students beginning a placement.

MANDATORY IMMUNIZATIONS

Connecticut State law requires each full-time or matriculated student to provide proof of immunity or screening against measles, mumps, rubella, varicella (chicken pox), meningitis and tuberculosis. Certain exemptions based on age and housing status apply. Matriculating students are defined as those enrolled in a degree seeking program. More detailed information and the required downloadable forms are available online at www.fairfield.edu/immunization. Completed forms should be submitted directly to the Student Health Center. Although this is not required to complete an application, you must provide proof of immunity/screening prior to course registration. Please consult your private health care provider to obtain the necessary immunizations. Questions may be directed to the Student Health Center: 203-254-4000 ext. 2241 or e-mail health@fairfield.edu.

NON-MATRICULATED STUDENT STATUS

Under our Non-Matriculated Status option, qualified students may take two or three courses (depending on the program of study) before gaining admission to a degree or certification program. This option provides a wonderful opportunity for qualified students to explore degree options and to confirm personal goals and readiness for graduate study. Qualifications to be considered include a bachelor’s degree (required) and other qualifications related to your preparedness for graduate-level studies in the field of interest to you. Successful completion of coursework does not guarantee formal admission.

Individuals enrolled as non-matriculated students are not eligible for any tuition and/or financial support.

NON-MATRICULATED ADMISSION

Qualified applicants who have not completed the formal admission process may apply for permission to enroll as a non-matriculated student and earn up to 6 credits in a certification program and up to 9 credits in a non-certification program.

For non-matriculated admission, use the following procedure:

1. Please call the GSEAP Dean’s office at 203-254-4250 to be directed to the advisor for the program that interests you.
2. Schedule an appointment.
3. Obtain a copy (official or unofficial) of your transcripts that shows the degrees you have earned. You will need to bring your transcripts with you to the University to be reviewed. International students must submit certified English translations and course-by-course evaluations, done by an approved evaluator (found on our website at www.fairfield.edu/eval), of all academic records.
4. Complete the online admission application at least 24 hours in advance of your appointment and pay the $60.00 application fee at www.fairfield.edu/applynow.
MAXIMUM CREDITS ALLOWED BEFORE FORMAL ADMISSION

The total number of credits earned before formal admission to a program (i.e., the total number of transfer credits plus any credits earned as a non-matriculated student) may not exceed 6 (six) credits for applicants to certification programs or 9 (nine) credits for applicants to non-certification programs.

TUITION/FINANCIAL AID

Academic Year 2016/2017
Tuition: $725 per credit hour

A graduate education can provide countless professional and personal rewards in the future. However, the costs associated with earning a master’s degree may be challenging. Many students need to look beyond their own financial resources or the resources of their employer for assistance. There are many ways to finance a graduate education, including graduate assistantships, federal direct loan programs and our Veterans Pride Program, which are all discussed at www.fairfield.edu/gradfa.

OFFICE OF FINANCIAL AID

Advisors from the Office of Financial Aid are committed to helping students find the options that best suit each of their needs. We encourage all Fairfield University graduate students to contact the Financial Aid office with any questions or to make an appointment to speak with a counselor.

FINANCIAL AID CONTACT INFORMATION
Phone: 203-254-4125
Fax: 203-254-4008
