Amazing Breaks
Spring Break Immersion Experience
March 6-12, 2016

Each year during spring break, Fairfield University students, faculty and staff volunteer for a week of service and ministry in various areas in the United States. Campus Ministry sponsors these exciting and challenging programs, which seek to embody the University’s commitment to the service of faith and the promotion of justice. While there, participants perform home repair, assist the elderly, tutor school children, learn about the culture and form lasting relationships. While the groups work by day, evenings are dedicated to reflection, discussion and relaxation. Amazing Breaks trips are a Fairfield tradition!

This spring, Amazing Breaks volunteers will go to the following areas:

1. **WorkFest Appalachia, (Kentucky)** – The Christian Appalachian Project encompasses community, service and spirituality. Surrounded by the Appalachia Mountains, serve and learn about the injustices and realities of poverty. “It’s about realizing that the only person who will be changed is you. It is a luxury to be able to serve and to be in the position to give. For it is in giving that we receive.” COST: $350

2. **Plunge! Into New Orleans (New Orleans, LA)** – Not for the faint of heart! A sample day: Engage in dialogue about systemic issues like race with the Center for Ethical Living and Social Justice Renewal, serve meals to the homeless at the NOLA Mission for the first part of the day and then each afternoon volunteer with St. Bernard Project doing rebuilding projects before returning to Camp Hope to collapse. This trip will have a large social justice component. Our goal is for you to have a well-rounded, Jesuit-style experience! COST: $600

3. **Camp Restore (New Orleans, LA)** – The mission of Camp Restore is to “restore faith, home and community to victims of Hurricane Katrina.” They strive to do this by equipping volunteers to bring renewed hope as they rebuild homes, churches and schools in New Orleans and the surrounding area. Work includes gutting houses, drywall, painting, landscaping, etc. COST: $600

4. **Operation Nehemiah (New Orleans, LA)** – Operation Nehemiah is a faith based non-profit organization committed to the cause of helping all individuals in the New Orleans community rebuild all aspects of their lives in the aftermath of Hurricane Katrina. You will be engaged in Individual, Family, Community, Green & Specialty Projects. COST: $600
VOLUNTEER EXPECTATIONS

You have demonstrated your generosity and openness in applying to be a participant in the program. After being selected as a volunteer, you will become a fellow traveler with nine people who have also chosen this path. Your companions, with whom you will journey throughout the semester, will eventually become for you a community of faith, providing support and challenge, both here and in the place where you will go.

The program is committed to serving as volunteers in the poverty stricken areas of the United States. Our mission is to learn about the structural and societal realities in the United States that leave some people (and, yes, even animals!) marginalized, to discuss the injustices that create poverty, to consider a theological and faith perspective on social justice. This requires that we meet regularly as a group to focus on our mission and build our communal spirit.

- **Time commitment:** Groups will meet regularly (generally once per week after returning from winter break) until their departure in March to learn about the factors and issues facing those they will work with, engage in fundraising, community building and service. These meetings MUST be a priority in your schedule.

- **Spirituality:** Faith is an important component of Amazing Breaks. In the Catholic tradition, engaging in service to the poor is a continuation of the work of Christ. Whatever your faith tradition – even if you have no faith tradition we ask that you be open to listening, sharing, and discussing spirituality. Meetings will include prayer, reflection, discussion, etc. Please be prepared to engage with your group.

- **Fundraising:** Each participant will need to raise a significant amount of money to cover the cost of the trip. We encourage volunteers to raise this money by seeking support from employers, professors, friends, family, your home parish, etc. A portion of the funding will be sponsored by Campus Ministry. By engaging in fundraising, you also will help to educate others of the injustices and realities of poverty. It can sometimes be uncomfortable asking for money. Part of the reason we engage in this process is to give each participant insight into the way those we serve feel when asking for help as they often need to do. Please be aware that if you fail to raise the money asked of you, your attendance on the trip may be in jeopardy. The money you raised including your deposit will not be returned to you and your grades may be withheld until you have fulfilled your commitment. (We still have to pay for your program fees, transportation, etc.)
