

Fairfield University Guest Network Connection Instructions

1. Connect to the **GUEST-S** network in your Wi-Fi settings.
2. Type **Fairfield** (case sensitive) for the Security Key/Password.
3. A screen will display the Fairfield University Acceptable Use Policy and Network Policy.
 - a. To connect to the Fairfield University network, your device must meet the following OS/Hardware requirements:
 - i. Windows: Vista, Win7, Win8
 - ii. Mac: OS X 10.7 (Snow Leopard) – 10.10 (Yosemite)
 - iii. Not accepted: Gaming consoles, smart television, streaming devices
 - b. Click **Accept**
4. Click **“Register”** next to **“Fairfield University Guest Self-Registration** (new/expired users).
 - a. If you are registering a second device, click **“Register”** next to **“Fairfield University Guest – Secondary Device Registration”** and use the username and password provided when you registered your first device.
5. Enter your Name, email, and phone number.
6. Click **“Request Guest Access”**.
7. A screen will display your username and password.
8. Click **“login”**.
9. The Bradford Dissolvable client will automatically download to verify you have a supported operating system.
10. Run the downloaded file.
 - a. If asked **“Do you want to allow the following program from an unknown publisher to make changes to this computer”**, click **“yes.”**
11. A page will open in your browser indicating that you have successfully registered your device. Wait for progress bar to complete, and then close and reopen your browser.

Once registered, your device will be granted access to the **GUEST-S** network for two weeks. A confirmation text and email will be automatically sent containing your username, password, and the expiration date of your connection. **You will only need your User Name and Password if you plan to register another device.**

Fairfield University Network Use Policies
