## Campus Resources

Substance Abuse, Counseling & Psychological Services  

*Fairfield University offers a variety of resources to address student drinking, including:*

- **The Grand Group.** The Grand Group is an opportunity to explore the impact alcohol and drugs are having in a student's life. The program is offered in two or four sessions.

- **The Recovery Group.** The Recovery Group is based on an abstinence mode for those who have decided to live a clean, sober life. Students support each other in recovery.

- **The Bridge Group.** The Bridge Group is for those who have decided that alcohol and drug use has interfered with their health and well-being. Students help each other make healthier choices.

For more information about the Grand Group, the Recovery Group, and the Bridge Group, contact Lisa Arnold, LADC, LMFT and Substance Abuse counselor at (203) 254-4166 or larnold@fairfield.edu.

For more information about the Choices class, contact Pam Paulmann, MPH at p paulmann@fairfield.edu.
