SUBJECT: Recommendations for Peer Conduct Board

I am writing to ask for recommendations of students who may be interested in serving on the Peer Conduct Board during the 2013-14 academic year.

The Peer Conduct Board, made up entirely of students, is trained and supported under the auspices of the Office of the Dean of Students in hearing student conduct matters. The board provides peer-to-peer assessment in the campus conduct process and handles matters of lower severity. The Peer Conduct Board is an effective vehicle for students to engage in self-governance in the area of student conduct. This group, along with the Peer Mediation Program, gives shape to a holistic, student-driven system for resolving and adjudicating matters at the peer level.

Students on the Peer Conduct Board can come from any major/discipline (i.e., it’s not just for students interested in the law!). Students known for their integrity, thoughtfulness, and ability to think fairly and objectively about a problem are sought for this excellent leadership and learning experience.

If you would like to recommend a current first-year, sophomore, or junior student for consideration, please provide me with the name and I will make outreach. Alternatively, students may fill out an application form directly. Students can pick up an application in BCC 408 or can access the application online. Any questions can be referred to Associate Dean of Students Kim Nickolenko at ext. 4211.

Thank you for your attention and recommendations.
