Documents on American Foreign Relations: A Documentary Record

Source for the official documents and statements of foreign leaders. Library has 1935-1961.

Documents on International Affairs

Volume 2 provides documents on postwar American foreign policy with Eastern Europe and the Soviet Union.

Europe Transformed: Documents on the End of the Cold War

Source for critical treaties and agreements, mandates, official proposals, and draft materials for arms control negotiations. Also, includes important proposals and statements by political leaders.

Foreign Relations of the United States

Historic Documents

Documents on a wide range of topics that the editors consider to be the most important issues of the year. Includes official statements, news conferences, speeches, special studies, and court decisions. (1972 to present)

Working files of John F. Kennedy's special assistant for national security affairs, McGeorge Bundy. Included are memos, cables (telegrams), intelligence reports, correspondence, and special studies. Arranged chronologically within each "Country File". Includes subject and author index.

Working files of Lyndon B. Johnson's special assistants for national security affairs, McGeorge Bundy and Walt W. Rostow. See previous entry for details.

The Origins of the Cold War

1,500 documents that cover Russian-American Relations from 1893-1949.
Public Papers of the Presidents of the United States

Official compilation of presidents’ public messages, speeches, and statements.

The Rise and Fall of Senator Joseph R. McCarthy

Documentary collection that spans the early months of McCarthy’s first term in the Senate in 1947 to Senate condemnation in 1954.

ELECTRONIC RESOURCES & PRINT INDEXES
